SCHOOL ANNOUNCEMENTS

Book Return

Students are reminded to bring the text book(s) associated with each subject to that subject's exam session (example; math book should be taken to the math exam). Immediately prior to the start of a particular exam, the text books should be stacked outside the classroom door to facilitate pick up and return by volunteers.

End of Year Locker Cleanup

As the academic year draws to a close, students will be checked out of their assigned locker during the last week of school (Week of May 22). To this end, we request that students begin clearing their lockers of items during these last two weeks of school. This would include removal of any study aids to prepare for finals or any personal items used to decorate/organize the locker and disposal of

any trash that has accumulated over the course of the year. As pre-cleaning greatly expedites the locker check out process, beginning this cleaning process early is appreciated!

Return Signed Deficiencies

If your student has any Quarter 4 Deficiencies, please print, sign, and return them to the front desk.

Chandler Prep Students Excel on National Spanish Exam

Congratulations to several Spanish students from Chandler Preparatory Academy who attained national recognition for excellent performance on the 2017 National Spanish Examinations.

Students from Chandler Prep earned a total of 2 gold, 3 silver and 8 bronze medals along with 33 honorable mentions. "Attaining a medal or honorable mention for any student on the National Spanish Examinations is very prestigious," said Kevin Cessna-Buscemi, National Director of the Exams, "because the exams are the largest of their kind in the United States with over 157,000 students participating in 2017."

Although this is our inaugural examination at Chandler Prep, our students have had a long history of high achievement and have been taught by Spanish teachers, Mrs. Diana Kendrick and Ms. Martha Kurus.

The National Spanish Examinations are administered each year in grades 6 through 12, and are sponsored by the American Association of Teachers of Spanish and Portuguese. We could not be more proud of the achievement of these students.
