### SCHOOL ANNOUNCEMENTS

#### Update Student Locker Information

Chandler Prep needs to update the locker information for our students. It is **very** important that we have the lock combination on file for every locker to ensure that students, parents, and our administration have access to a locker without cutting off the lock. At the beginning of the school year, we asked for a paper form. This time, we would like our families to fill out an online form.

**Please go to this link and fill out the Lock Combination Form for each of your students by November 20<sup>th</sup>:**

## COLLEGE COUNSELING

**Alyssa Fink**

**Girl Scout Gold Award Recipient**

One of Alyssa's greatest passions is fostering kittens for the Arizona Humane Society (AHS). This passion guided her in developing her project for her Girl Scout Gold Award. Alyssa identified ways to improve communication between the AHS staff, volunteers, and foster families. This included developing instructions, information packets, and putting her artistic talent to work. Alyssa designed, built, and painted an organizational cubby for the AHS so foster families can easily get all the necessary materials needed when they pick up their foster animal. Congratulations to Alyssa Fink on her Girl Scout Gold Award! We are very proud of you and thank you for all that you have given back to Chandler Prep.

## Emma Norton

### Girl Scout Gold Award Recipient Assists with National Park Service Project

With Emma's love of nature and the outdoors, she has always felt that visitors have a responsibility to help protect the Canyon wildlife to assure the safety of all who visit the Grand Canyon. Emma Worked closely with one of the committed Park rangers who helped Emma raised thousands of dollars for her project which allowed them to not only reprint instructions for the visitors and refurbish the food storage boxes, but to actually replace all of the old and worn out containers with brand new ones. The new boxes were then installed in three different camp grounds (Bright Angel, Indian Garden, and Cottonwood Campgrounds) within the canyon. Emma's project and hard work will help minimize the human impact on the environment around the campgrounds for years to come. As a result of her efforts and contribution to the Grand Canyon, Emma was awarded the *Girl Scout Gold Award*. Congratulations Emma! We are proud of you.
