12th Grade Drama Performances – April 16, 18

Seniors will perform their plays in the Michele Davis Theater, 7:00 pm – 8:30 pm.

Date	Sections	Play
Tuesday, April 16	12AE	<i>Machinal</i> , Sophie Treadwell
Thursday, April 18	12DH	<i>Saint Joan</i> , George Bernard Shaw

Machinal is an Expressionism play and like nothing you've seen before. It's about a young woman who works as a low-level stenographer and lives with her mother. She follows the rituals that society expects of a woman, however resistant she may feel about them.

Saint Joan is a play by George Bernard Shaw about 15th century French military figure Joan of Arc. The play dramatizes what is known of her life based on the substantial records of her trial.

Hope to see everyone out at the Michele Davis Theatre on those nights!
